MEMORANDUM OF UNDERSTANDING

BETWEEN

The Superior University, Lahore

&

Autism Resource Centre Lahore

The vision of MOU:

This Memorandum of Understanding (MOU) creates a partnership between The Superior University and the Autism Resource Centre Lahore. It is designed to enhance the development of learning, teaching, clinical practice, research, and Lahore therapeutic skills among students and faculty members.

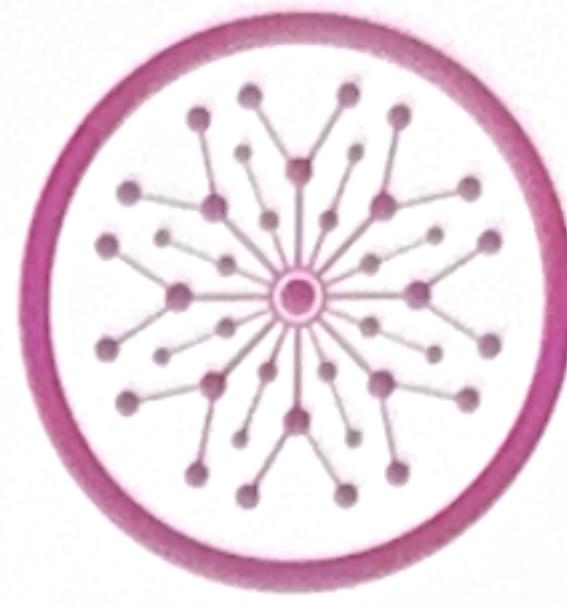

1. Autism Resource Centre Lahore and The Superior University agree to collaborate to explore future collaboration. This Memorandum of Understanding signifies a statement of intent to collaborate but is not legally binding.
2. It recognizes the intention of the Autism Resource Centre Lahore and The Superior University to establish a relationship to cooperate in a broad range of areas and to work together for their mutual benefit.

To achieve these goals, Superior University and the Autism Resource Centre Lahore will collaborate on the following objectives:

Objectives:

This MOU will facilitate the following benefits for both departments:

- Promoting collaboration between faculty members from both institutes to share innovative approaches in training, research, and clinical placements.

SUPERIOR UNIVERSITY
